## CONTRACTS WILL BE NEAR \$80,000

Taking Low Bids as Criterion Construction of Three Roads and Bridge Will Cost That Sum.

### 150 BIDDERS HERE TODAY

Kennedy & Son Get Blue River Bridge Contract—One Bid on Brown Road is Rejected.

Taking the low bids as a criterion the county commissioners this afternoon awarded contracts for three roads calling for an expenditure of \$73,562 and one bridge to cost \$7,250. The road letting was the most important held here in several years and attracted a large crowd of bidders, brick, stone and cement people. It was estimated that 150 people were crowded into the commissioners' room when the bids were opened.

The commissioners at a late hour this afternoon had not awarded the contracts and were carefully investigating each bid before making known any decision. The low bidder on the Frank H. Green et al. highway (Eleventh street) and on the John Kelly, Jr., et al. road (First street) was A. L. Tribble and Company, a Brazil firm. It was considered quite a coincidence that this firm should be low on both roads.

The interest centered in these two roads. The bids for the Green road were opened first and were as follows: A. L. Tribble, \$33,218; Master Construction Company, \$37,000; J. B. Reason Company, \$36,785; Ohio Construction Company, \$33,965; DeGolyer & Company, \$35,400; George Hoppe, \$35,417; George T. Miller, \$33,947. This road is to be constructed with cement. All the bids were under the estimate which was \$38,000.

The bid of A. L. Tribble on the paving of First street with brick was \$25,820. Other bids were as follows: A. L. Stewart, \$27,147; Masters Construction Company, \$26,999; Cronin and Meredith, \$27,212; Ohio Construction Company, \$26,230; Bergan, Jeffries Company, \$27,637.

Only one bid was submitted on the William J. Brown road in Anderson township. The bidder was Wilk and Company of this city, with a bid of \$14,524. The estimate was \$15,000, but the commissioners wanted some competition so rejected the bid. The road was ordered re-advertised and the date set for June 30.

Three firms bid on the Norris Ford bridge. The bids were as follows: E. L. Kennedy & Son, \$7,250; A. L. Stewart, \$8,464; Central States Bridge Company, \$9,475. The first two bids were for wood construction and the last for steel. The contract was awarded to Kennedy & Son, at the price specified in their bid.

Following the opening of the bids parties interested in the construction of the Frank Capp et al. road, known as the New Salem pike, were busy figuring out if this road could be built this year. According to the figures, the township will lack about \$6,000 of having enough money to build this highway. The estimated cost of the Capp road is \$31,000 and there remains about \$25,000 before the township reaches the bonded indebtedness limit.

### WILL PLAY SUNDAY

The local baseball bid will be pried off Sunday when the Red Men and K. of C. teams play at Edgewater park. The game may eventually result in the re-organization of the Fraternal league.

Marion, Ind., May 25.—Muncie was chosen for the 1917 meeting place of the State Association of Elks at the closing session today.

## MRS. W. SCHMIDT IS DEAD

Former Resident Who Had Relatives Here Expires at Anderson

Mrs. Fred Beale, received word late yesterday afternoon of the death of her sister-in-law, Mrs. Warner Schmidt, at 409 West Sixth street, Anderson, of tuberculosis. She was in very poor health all winter and her life had been despaired of several days before her death. Mr. Schmidt ran the old Portola theater. Mrs. Schmidt is survived by her husband and two daughters, four and six years of age.

## DOVE OF PEACE IS BACK IN TWO HOMES

Divorce Suits of Priscilla and Robert Cameron and Elsie and William Richter Dismissed

### ALLOWANCE IN ANOTHER CASE

Two divorce suits were dismissed today in circuit court. The first was that of Priscilla Cameron against Robert Cameron, and the other was that of Elsie Richter against William Richter. Both couples are now living together again. In both cases the costs were paid.

Judge Sparks made his decision in the motion for an allowance in the divorce suit of Mrs. Jessie Winship against Earl Winship, ordering the defendant to pay her \$50 for attorney fees within fifteen days and the sum of \$10 a week support money until the case is disposed of.

On the motion of the plaintiff Albert L. Winship was made a party defendant. It was shown that on May 13 Earl Winship executed a bill of sale disposing of all of his property to his father, A. L. Winship, and on this ground the elder Mr. Winship was made a party defendant.

## WILL HAVE APPEAL FOR EVERY PERSON

Dr. George R. Stuart's Address at Commencement Will be Profitable to all Ages

### PROGRAM OPENS AT 8 O'CLOCK

Dr. George R. Stuart's lecture on "Opportunity" at the annual commencement exercises at the Graham Annex auditorium tomorrow evening at eight o'clock will have an appeal for every person and will be interesting and profitable to persons of all ages, school authorities declared today. Much elation is felt here because it was possible to get the noted lecturer.

Members of the class are urged to be at the auditorium by 7:30. The doors will be open at the same hour. Reserved seats selling for twenty-five cents were put on sale at Hargrove & Mullin's this morning. It is stated that it will be possible to hear Dr. Stuart with ease in any part of the auditorium.

Dr. Parkes Cadman, of Brooklyn, says, "In a wide survey of two continents I have not heard the equal of Dr. Geo. R. Stuart." Dr. Stuart awakens his audiences to new truths, and lifts to high peaks of enthusiasm. His record of successes on leading lecture courses throughout the country is the best assurance of his ability to please.

## ALUMNI FEAST AND HEAR MUSIC

High School Graduates Also Regaled With Humorous Impersonations by Harry Porter

### LETTER FROM FINLEY PUGH

Representatives of Classes of Many Years Ago Are Introduced—Officers Elected

With one hundred and fifty former graduates of the local high school and their friends at the alumni banquet given last evening in the basement of the Christian church, the affair was an enthusiastic success from start to finish. The entire evening was given over to the banquet and excellent entertainment which followed, the only business which was transacted being the election of officers for the next two years.

They were: president, Dr. Lowell M. Green; vice-president, Miss Hannah Morris; secretary, Miss Nancy Hogsett; and treasurer, Ben Sparks. The nominating committee, which had previously been appointed by the president, was composed of Miss Anna Bokannon, John H. Kiplinger, and Miss Frances Frazee. The retiring officers who had complete charge of the banquet were: president, Hugh E. Mauzy; vice-president, Miss Pearl Kitchen; secretary, Charles B. Stiffler; treasurer, Miss Anna Waite.

A four course banquet was served which did credit to the ladies of the Aid society of the Christian church. It was not only delicious but beautifully served. Carrying out the high school colors of red and black, the tables were decorated with red carnations and lit with red candles under the crystal holder of which was a cross of red and black. Excellent music was played throughout the banquet by the Sherman three-piece orchestra.

Following the banquet, the committee had wisely dispensed with the toast list and provided rare entertainment for the guests. A few appropriate remarks were made by Hugh Mauzy, giving a short history of the organization, which has been in existence for the past five years. Although the first graduating class that of 1846 was not represented personally, Mr. Mauzy had a letter from Finley Pugh, the only surviving member of the first graduating class which he read.

One of the most amusing features of the program, was the plan of the president to have representatives of each of the graduating classes stand as he read their year. The oldest graduate present, was George Wirt of Kingston, who finished school in 1874. The remarks which he made were appropriate and inspiring to the recent graduates. Mrs. Minnie Abercrombie represented the class of 1875, Mrs. Fannie Ayres and Mrs. V. C. Bodine were present from the 1876 class, Mrs. J. P. Frazee, Dr. F. G. Hackleman, J. H. Frazee, and Mrs. F. B. Stearns stood when the president asked for graduates of 1878. Aside from the 1916 class, the class of 1911 was best represented in numbers.

Music for the program was furnished by a quartette composed entirely of graduates—Mrs. Carl F. Behr, Mrs. Earl Moore, Miss Norma Smith, and Mrs. Francis Moor. For their first selection "Heigh Ho for Merry June," a beautiful number, they were loudly applauded and were forced to respond with an encore for their second number "Don You Cry Ma Honey," in which Mrs. Francis Moor sang the obligato. Miss Martha Hogsett acted as accompanist.

## WAGGONER IS CAUGHT TODAY

Richmond Police Arrest Man Wanted for Stabbing Harry Levi on Tip From Here

### SHERIFF GOES AFTER HIM

Levi Spends Restless Night but Physician Says he is not in Immediate Danger

Orban Waggoner, wanted here on a charge of assault and battery with intent to kill, in connection with the stabbing of Harry Levi Wednesday morning at the I. & C. power house where both were employed, was arrested this morning in Richmond.

Sheriff Cavitt and Chief Yakey left here shortly after noon today in the sheriff's automobile for Richmond and will bring Waggoner back with them, hoping to arrive here by six o'clock tonight. The arrest of Waggoner was easily effected after the police once obtained information as to his whereabouts.

Chief Yakey received a tip this morning that Waggoner was in Connersville yesterday and intended going to Richmond this morning. The Richmond police department was called and in less than an hour called back that they had their man. The arrest was made at the depot as Waggoner was getting off a train.

The warrant for Waggoner's arrest was issued from the circuit court. Yesterday Waggoner bragged, it is said, that the police would never arrest him. Waggoner's version of the cutting affair is still missing, although it is known that he told one man that Levi came at him with a sledge-hammer and that he cut him in self-defense. The police put little faith in this version as Levi was stabbed in the back.

Levi spent a rather restless night and apparently suffers greatly from the wound. The attending physician, however, states that he is in no immediate danger and cannot see why he should not get well, unless unforeseen complications arise. There was no change in his condition today.

## MAN 80 YEARS OLD IS THROWN 20 FEET

J. M. Wiggington of Near Gings Has Remarkable Escape From Death Today in Runaway

### HORSES HIT BRIDGE POST

J. M. Wiggington, living near Gings had a remarkable escape from injury this morning in a runaway. A team of horses he was driving to a farm wagon started to run away in Gings and he was unable to control them. He stayed in the wagon and when the iron bridge east of Gings was reached the horses ran into one of the posts.

The force of the collision threw Mr. Wiggington clear of the wreckage and he landed on the opposite side of the bridge, a distance of about twenty feet. Mr. Wiggington is eighty years old and never as much received a scratch. The horses were freed from the wagon when the bridge was hit and ran for a distance of a mile on down the road before being stopped. One of the horses was injured and the wagon was practically demolished.

## IS GIVEN THIRD DEGREE

One of Mexicans Killing P. H. Holly is Captured, Truckman Says

Columbus, N. M., May 25.—One of the band of Mexican bandits who killed Ranchman P. H. Holly at Rubio, while Holly was acting as a scout for General Pershing, has been captured at the front, according to word brought here by truckmen. He is being given the third degree in an effort to obtain information as to the whereabouts of the others in the band. Holly's ranch manager was killed at the same time.

Twenty-five ill or accidentally wounded American soldiers arrived at the base hospital here today. They were picked up along the line of communication.

## FUSTON REFUSED BORDER ARTILLERY

Fact That he Requested it Some Time Ago is Confirmed at War Department Today

### 116 TO BE COURT MARTIALED

(By United Press.)

Washington, May 25.—That General Funston had requested additional coast artillery for border service and had been refused was confirmed at the war department today. The explanation for the refusal was that the coast artillery branch felt it could not strip the coast defenses farther than has already been done. The request of coast artillery was made after the militia forces were called out. It was definitely said that when recently Funston asked for additional troops, he did not request the Louisiana, Arkansas and Oklahoma militia.

Reversing his decision of yesterday, Secretary of War Baker today announced he will direct the calling of a court martial to try the cases of 116 Texas militiamen charged with failing to present themselves for duty on the border.

This reversal was due to the discovery of new legal points which the Hay-Chamberlain army bill would not obviate as was held yesterday. The oath required of Texas militiamen is that they shall defend the constitution and obey the orders of the Texas governor. No mention is made of fealty to the president's orders.

## FUNSTON DENIES WASHINGTON STORY

Declares he Did Ask for Louisiana, Arkansas and Oklahoma Troops When Others Were Ordered.

### CHANGES THE DISTRIBUTION

(By United Press.)

San Antonio, Texas, May 25.—General Funston today changed his plans for militia distribution to meet the Carranzista movement into the section opposite the Big Bend of Texas. The Fourth Texas infantry will be sent into the Big Bend, he announced, to guard railroad bridges and tracks and small settlements instead of going to Eagle Pass.

Funston contradicted advices from Washington stating he had not asked for the Louisiana, Oklahoma and Arkansas militia at the time he requested the state troops already placed at his command. He still hopes to obtain these troops.

## GRADUATES ARE LESS THIS YEAR

Only 135 Will Receive Eighth Year Diplomas at Education Day Exercises June 6

### 154 GRADUATED IN 1915

Gold Medal Will go Begging This Year Because None Has Perfect Attendance Record

A total of 135 eighth year graduates will receive diplomas at the county educational day exercises to be held at the Graham Annex auditorium on June 9. The complete list is available now that Superintendent George has completed grading the papers of the pupils that took the special examination last Saturday. This examination was for pupils who were conditioned at the March and April examinations.

The number of eighth year graduates this year is not as large as last year when 154 pupils received diplomas. In 1914 the total was 133. So far Superintendent George has failed to find any pupils this year with a perfect attendance record and the medal offered will go begging.

The recent examination failed to change the standing of the pupils receiving the highest grade. The seven honor students and their averages are as follows: Grace Ellen Carson, Falmouth, 96.2 per cent; Marie Meyer, Glenwood, 95.7; Oran Melvaine, Anderson township, 95.4; Louise Bingham, Union township, 95.4; Vida Frow, Walker township, 95.4; Maude Taylor, Posey township, 94.7; John Looney, Union township, 93.7.

The record by townships of the three examinations is as follows:

Passed			Tried			Failed		
Anderson	15	16	1					
Center	6	6	0					
Jackson	5	5	0					
Noble	8	11	3					
Orange	7	10	3

TRAMP BULL DOG MAKES GAME FIGHT

Requires Two Shots From Revolver And Two From Shotgun to Finish Old "Bob."

BIT MISS CATHERINE HITT

If it had taken five more shots, "Bob," a tramp bull dog, which Policeman Price killed at one o'clock today, would have been like the proverbial cat with nine lives. As it was the extinction of the dog, which has always been classed as "crazy" by the police, required the combined efforts of Policeman Price and Fireman Basil Seward, and two shots from a shotgun and two from a big revolver.

The dog came here from Columbus, Ind., several weeks ago and has been harbored by several people. Last week he bit Chief of Police Yakey and today he sunk his teeth in Miss Catherine Hitt's wrist, which caused the police to determine to kill him.

"Bob" was game. Policeman Price shot him just below the eyes with a revolver in front of Dr. E. I. Wooden's office. That maddened the dog and he ran up Main street and got in the back yard of Mrs. Rachel Bowen, 406 North Main street. Two loads from a shotgun did not finish him and he managed to squeeze between the barn and a fence. Another shot from a revolver was the death knell for "Bob." His head may be sent to the state board of health laboratory of examination for rabies.

"The Island of Surprise"

If you were a man cast upon an island with two beautiful women — one a blonde, the other a brunette, both professing to be your wife, what would you do? That is a part of the plot in this wonderful picture. A terrific storm, a land-slide, head-on collision of two trains going at full speed are only a few of the great things in this production. If you want to see a great picture, DON'T MISS IT.

It developed today that Lewis M. Sexton and Dr. Frank M. Sparks were both painfully hurt in the automobile accident north of here yesterday when the machine John H. Kiplinger was driving went into the ditch. Mr. Sexton's left shoulder was badly bruised by being hit with a rail and his back was sprained. Dr. Sparks' right hand was severely cut on a barbed wire.

The Rev. F. B. Stearns of this city, the regular pastor of the Presbyterian church at Cambridge City, delivered the annual baccalaureate sermon to the Cambridge City graduating class this year. The Cambridge City Tribune says the Rev. Mr. Stearns' "forceful remarks about gambling in cigar stores and failure of law enforcement were endorsed by applause." The newspaper also says the sermon was a strong and most excellent effort and is worthy the high compliment so generally bestowed.

## The Graduate.

As the members of a high school graduating class line up on the platform, it is a hard guess to tell which will be the big business and professional successes of ten years hence. Even the professors who know the young people thoroughly, are often mystified.

In a good many cases a certain degree of business success is assured at the start through personal "pulls." Many young men have fathers or uncles or brothers in large concerns. A handsome desk and comfortable salary is assigned the fledgeling of the family as soon as he acquires his degree. He may become a faithful and methodical worker. But he is rarely the one who pushes his concern into bigger fields. The success attained by many comparatively obscure fellows is a wonder both to their teachers and associates. They may have had no social graces and no facility in book work. But somewhere back in their make-up was a certain bulldog tenacity that knows not the word "fail." They hang on and hang on, until the gates of opportunity open, weary of their importunate striving.

Many young men without family support push to the front by the start, by a certain innate personal winsomeness. They greet the world with frank enthusiasm and make friends every day of their lives. People like to have them around and do business with them. Their only danger lies in their too great facility. Sometimes the prizes come so easily that they forget to work. Then the tortoise soon overtakes the hare.

Graduates of colleges and high schools do not usually have to wait long for a job. There is always something ready for a bright young fellow with willing hands. But to find an opening that offers any chance of advancement is no easy matter. Young men should not grab too eagerly for lines of work in which there is no call for individual judgment and initiative. There is too much haste for 4 o'clock jobs where young men get the afternoon off for society and games.

We are all agreed that the increase of exports because of the war has been one of the stimulants to American business. The latest bulletin of the United States department of commerce is but another commentary on this well known fact. Exports for March 1916, \$411,476,638 and exports for the corresponding month last year were \$296,611,852. Of course, the war was in progress a year ago, but it had not so badly demoralized business at that time as now. Export business for nine months ending with March 1916 was \$2,997, 172, 372, whereas export business for nine months ending with March 1915 totaled only \$1,931,077,869.

Once upon a time gasoline was classed as a waste product and no one is going to deny that much of it is being wasted right now.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action. If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime. Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.

Recent reports indicate that there is one automobile for every twenty persons in Indiana. If you are No. 19 in line, it looks like you might have a good chance at one this season.

Bryan says he will at least be at the St. Louis Convention as a newspaper man. That remains to be seen. The Superintendent of the press section may refuse to seat representatives of monthly periodicals when there is such a large demand from correspondents of daily papers.

New York Democrats are said to be puzzled by the problem of a candidate for Senator to succeed Mr. O'Gorman. Inasmuch as the Republican candidate is the one who will be elected anyway, we can see little for the Democrats to worry about.

The Wilmington, North Carolina, Star boasts of a "return to prosperity under a Democratic administration." It does not mention the loss of prosperity under that same administration nor give the date when that prosperity began to return. It seems to have a horror of even the thought of war.

A Democratic club in Portland, Oregon, refused to endorse vice-president Marshall for renomination on the ground that he is a "Psychological negative." Just what that is, it might be difficult to say, but possibly a psychological negative on the end of that Democratic tariff bill might have been a good thing for the country. Or any other kind of a negative.

California fruit growers are protesting because Great Britain has placed an embargo upon fruit importations, in order that there may be more ship space available for commodities more urgently needed for purposes of war. Those California people are not likely to read with very receptive minds the claim of the Democrats that the war is not the cause of return of prosperity in the East.

## HUNDRED LEADING HOOSIERS

Jeremiah Sullivan.

In Judge Jeremiah Sullivan, Indiana has the man who caused the Hoosier capital to be known as "Indianapolis" instead of Tecumseh, Concord, or Suarro, the other names considered. Judge Sullivan selected the name "Indianapolis."

Sullivan was born in Harrisonburg, Ky., July 21, 1794. Educated for the Catholic priesthood, he became a lawyer and a Presbyterian elder. In 1817 he rode horseback from Harrisonburg to Madison, Ind.

Sullivan was in influential member of the legislature of 1820 but won the greatest distinction on the Supreme bench. As an associate of Blackford and Dewey he was a member of the trio known as the "Great Supreme Court."

In 1869 Sullivan was appointed judge of the new criminal court at Madison but died on the day court opened.

## YEAR WITHOUT A SUMMER

(Christian Herald.)

It is said that the year 1816 had no summer; that frosts prevailed and ice formed in the month of June; that in July ice formed to the thickness of an inch; that in August there was a heavy fall of snow; but that in September the usual fall weather prevailed. There was no corn raised, and most of the crops were failure. It is said that these weather conditions extended all over the New England states, New York, New Jersey, Pennsylvania and Ohio. Probably the facts have been exaggerated. Other parts of the nation and world had a summer, and there was food and clothing for the people. Some growl perpetually at the weather; it is too hot or too cold; too wet or too dry. And yet a kind Providence arranges it infinitely better than we could. What a beautiful promise this was in the early history of the race: "While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease."

## MONEY FOR FUND IS CONTRIBUTED

Federated Clubs Will Announce an Endowment Fund of \$100,000 at New York Meeting.

## NOT TO INCREASE THE DUES

Need of a Larger Income Wax Apparent Some Years Ago and Now Amount is Reached.

BY MRS. W. K. JAMES.

(Field Chairman of Endowment, General Federation of Women's Clubs.)

New York, May 25—We are ready to announce that the \$100,000 endowment fund of the Federated Clubs has been fully contributed by the clubwomen of the United States. The announcement will be formally made at the National Convention now going on here.

When the growing need of a larger income for the General Federation became too great to be ignored it was proposed either to increase the dues or raise an endowment.

Larger dues might shut out some clubs from membership and the women gathered at Cincinnati for the Biennial Convention of 1910 realized the value, not only to the club women themselves, but to the country as a whole, of this body of women coming together from every State and from almost every condition of life to plan for the common welfare.

Women who were learning to understand and sympathize with circumstances foreign to their own home surroundings and to recognize the obligation resting on them to do their share in building up the nation.

To reduce the number of those brought under the influence of the General Federation could not be considered so the plan of an endowment was adopted.

At the Convention in Cincinnati, 1910, it was voted to raise an endowment of \$100,000.

At the Convention in San Francisco, 1912, the endowment was presented to the club women in a series of striking and effective talks under the direction of Mrs. Pennypacker, and it was shown to be well started toward success.

At the Convention in Chicago 1914 the last \$20,000 was promised.

## NOTICE TO CONTRACTORS

## ALUMNI FEAST AND HEAR MUSIC

Continued from Page 1.

companion.

Harry Porter, the entertainer for the evening, used his versatility to advantage in all kinds and degrees of humorous numbers. He was especially realistic in all the characters which he imitated because of the earnestness of his impersonations. The first part of his program was composed of a series of side-splitting jokes told in his own original way, making himself a typical Irishman, farmer or whatever the character required.

During the short intermission, a figure resembling very much one of Abe Martin, with white hair on end, short whiskers, and a very comical make-up under the little old hat on one side of his head, wandered in strolling through the banqueters mumbling "Hello," "Why how are you?" "Am sorry I was so late with the butter and eggs for the supper. I told Mr. Mauzy I'd get them here on time, for he said there was an alum meeting here tonight." The figure proved to be Mr. Porter, who introduced himself as Abe Martin, and gave a number of interesting incidents about his home in Brown county and his recent trip which he took with one Newt Plum. The jokes all through this sketch were apt and well given. The closing number on his program, a song, "If I was as Young as I Used to Be," simply brought down the house.

The message from Finley Pugh, the only living member of the first graduating class, was as follows:

Los Angeles, California,  
May 19, 1916

Mr. Hugh E. Mauzy.  
Pres. R. H. S. Alumni Assn.  
Rushville, Indiana.

My dear brother:

I can think of nothing that would give me more pleasure than to be with you all on the occasion of your Biennial Banquet next Wednesday evening. I have been away from the old scenes for along time but shall always have the most pleasant memories of my school boy days in the old town.

A bunch of us youngsters started in with Uncle Davy Graham when he put the first real High School on the map in Rushville. And although I know we were not angelic and gave his trouble enough, in the main, we did fairly well in deportment and accomplished something otherwise, at least enough to merit his approval (sometimes), and ultimate recognition.

When we left the High School it had not yet become the custom to grant diplomas. After I had finished College and returned to Rushville and gone into business, the School Board decided to issue diplomas to all the graduates of the preceding classes that had not yet received them. Our class in the final round up was not a large one, and when I was notified that I would be expected to deliver the Valedictory address at Commencement and my partner Mr. Robert Cox the Salutatory, I felt like the boy that said he was always head or next head in the spelling class that only had two members.

While I remained in Rushville I greatly enjoyed the meetings of the Alumni Association.

I have said that I would be much pleased to be with you on this occasion, it would also be a time of sorrow and regret to me to see the unfilled places. I would be looking into the faces of many of the children of those I once knew and loved so well. I would rejoice to see these of the younger generation, but my thoughts would naturally turn to many that are gone.

I congratulate you heartily on the lively interest you are all displaying in keeping alive the fealty to our Alma Mater that we created back in the 70's.

Sincerely  
FINLEY B. PUGH

## WOMEN LEARN HOW TO CLEAN CITIES

Those Attending Federated Meeting Receive Tips on How to Beautify Cities.

### IS PART OF ART PROGRAM

(By United Press.)  
New York, May 25.—Twenty thousand leading American clubwomen at the Federation's national convention here today are learning how to make our ugly cities handsome.

They are, as it were, getting tips from experts on how to take a careless, slouchy, unkempt old municipality, wash its face, give it a new suit, manicure and barber it, put a posey in its buttonhole and set it up a truly handsome altogether.

This is part of the art program of the convention, at which the report of the art chairman will be given before the convention, followed by an address on "Community Art," by William Dudley Foulke, of Indiana, president of the National Municipal League from 1911 to 1915. Mr. Foulke is a life-long student of art in many lands, and an eloquent speaker.

At the art luncheon, at the Astor, there is a program of short speeches by well-known artists. Four hundred tickets are issued for the luncheon, at \$1.50 a plate.

At the Art Conference, following the luncheon, there will be reports from members of the Department, an address on "The Poetic Art in America," by Robert Underwood Johnson, secretary of the American Academy of Arts and Letters.

## Look and Feel Clean, Sweet and Fresh Every Day

Drink a glass of real hot water before breakfast to wash out poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatism; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

## What Is the Best Season for Painting?

That is a question we are often asked. If the surface to be painted is dry and the day is clear, any season is Good Painting Weather, provided the painter knows how to mix his paint to suit the temperature. An experience of twenty-five years has taught us how we can paint at any season of the year and guarantee satisfactory results. We use Carter's Pure White Lead and Oil, and are always at your service.

Embroidery Club, with Miss Nelle Winship at 306, East Fifth street, in the afternoon.

Mitchell's orchestra of this city will play for the Commencement dance to be given in Newcastle tomorrow evening.

Dr. Clarence Arnold of Colorado Springs, Colo., and Mrs. Mary Holmes of this city were the guests of Mr. and Mrs. Harvey Arnold near the city today.

Among the out-of-town guests at the alumni banquet last evening were George Wirt of Kingston, Mrs. Helm Woodward of Cincinnati, Mrs. Maud Shields of Chicago, and Mrs. Ed Batterton of Greensburg.

Visitors from Knightstown, Connersville, Indianapolis, and Shelbyville have signified their intentions of attending the dance to be given in the Phi Delta Kappa hall tomorrow evening. It is to be the annual commencement dance, for which Sherman's three piece orchestra will play.

WITH MRS. BOXLEY

The regular meeting of the Five Hundred club was held with Mrs. Fred Boxley last evening at her home in North Main street. Three tables were in play and after their games, the hostess served a refreshing collation. The guests of Mrs. Boxley for last evening were Mrs. Ben Sparks, Mrs. Lou Weeks, Mrs. Ernest Mitchell, Miss Jennie Pudel, Mrs. Fred Cochran, Mrs. Ed Pitman, Mrs. Lote Carter, Mrs. Lev Wallace, Mrs. Walter Easley, Miss Hettie Retherford and Mrs. Charles Green.

The Tri Kappas will hold an exchange in the Cosand Millinery Store Saturday morning beginning at 9 o'clock. Home cooked eatables of all kinds will be sold. The members of the sorority have requested that it be announced that none of the articles will be sold or laid away previous to nine o'clock.

BIRTHDAY PARTY

Lotus Gartin, son of Mr. and Mrs. James W. Gartin celebrated his fifteenth birthday yesterday by giving a party for a number of his young friends. The young people made the trip to the pretty country home of Mr. and Mrs. Gartin in machines, and after their arrival were amused with games and other diversions played on the lawn and in the home. Refreshments were served before the departure of the young people, who were the Misses Mildred Williams, Vera Short, Ruth Smith, Ruby Ellerman, Dorothy Moore, Beatrice Wilson, Ella Adams and Fred Warfield, Herschel Bates, Fred Alsop, Paul Stewart and William Riley.

BIRTHDAY SURPRISE

Yesterday being the birthday of Mrs. Frank Windler, she was agreeably surprised when a number of her friends and neighbors came in upon her, bringing an elaborate supper with them. The meal was soon arranged at the table and the pleasant company gathered to enjoy it as well as the delightful occasion. The guest of honor was also the recipient of a number of pretty birthday gifts. Her friends who so cleverly arranged the surprise were Mrs. A. C. Green, Mrs. Charles Hinkle, Mrs. Mart Spivey, Mrs. Charles Hall, Mrs. Robert Ellman, Mrs. Walter Hall, the Misses Mazie and Minnie Boyd and Mrs. John Boyd.

CLUB MEETING

The meeting of the Wednesday Afternoon Club with Mrs. Veri Bebout yesterday afternoon was in honor of Mrs. Roy E. Aldridge of Pittsburgh who is visiting here, and Miss Anna Cochran a bride-to-be. Apple blossoms were the fragrant flowers used in decorating the rooms. After the guests had enjoyed an afternoon of chatting together, the hostess served a refreshing luncheon. Several invited guests were present and those and the members of the club present included Mrs. H. V. Logan, Miss Minnie Vaught, Miss Eamline Newlin, Mrs. A. T. Mahin, Mrs. Sam Innis, Miss Sue Gregg, Mrs. Ed Lee, Mrs. Grant Gregg, Mrs. Emma Craig, Mrs. Clara Bebout, Mrs. Raymond Gartin, and Mrs. O. C. Brann.

MEN ENTERTAINED

The entertainment which the Women's Bible class of the First Baptist church gave in honor of the Men's Bible class last evening had been kept a surprise until the guests arrived and the fact that the program was a complete surprise added to the pleasure of the evening. There were about fifty members of the two classes in the party. Following the program, an elaborate two course dinner was served. The numbers on the program were as follows:  
Ladies Quartette.  
Piano solo—Miss Elizabeth Stewart.  
Reading—Russel Perin.  
Reading—Mrs. Steffy.  
Reading—Mrs. Perin.  
Reading—Miss Elizabeth Stewart.  
Original poem—Childhood Memories—Mrs. S. G. Huntington.  
The last number was read by Mrs. Huntington to the musical accompaniment played by Mrs. Saunders.  
Short talks were made by the Rev. S. G. Huntington, James W. Gartin and James Alsop. The teacher of the class of ladies entertaining is Miss Elizabeth Stewart.

Mrs. Fred Arbuckle, who has been ill for several days, is slowly recovering.

Amusements

The Mac-Taff stock company playing at the ball park will present the drama "St. Elmo" for the program tonight. This is said to be one of their best productions. In addition to this the usual five acts of vaudeville will be given.

The Gem offers the fourth episode of "The Iron Claw" for the first picture tonight. This one is entitled "The Name and the Game." Pearl White is featured as usual. The other picture is a comedy entitled "Lonesome Luke's Double." Tomorrow the two act drama "Plot and Counterplot" will be shown along with the Billie Ritchie comedy "Twenty Minutes at the Fair."

"Miss Arren's Brother," a three reel feature is the first picture at the Princess tonight. Arline Pertty and Charles Kent are featured. It is said to be a powerful story with plenty of action. The other is a comedy featuring Rose Melville as Sis Hopkins. It is entitled "A Flock of Skeletons." Tomorrow, matinee and night the five reel feature "The Island of Surprise" will be shown. William Courtney, Eleanor Woodruff and Zena Keefe are featured. The picture is based on the story by Cyrus Townsend Brady. A railroad wreck and a fierce battle with naked savages are but two of the thrilling episodes depicted with graphic realism. A Pullman day coach and a Pullman sleeper and two locomotives are destroyed to give the movie fans a thrill in this picture.

## "OTHER WOMAN" IS A WITNESS

Mrs. Margaret W. Horton Describes Dual Character of Dr. A. W. Waite, on Trial for Murder

### HIS JEKYLL-HYDE NATURE

Sender of Mysterious Telegram Which Started Investigation is Also Identified

### WAITE TO TAKE STAND

New York, May 25.—Dr. Arthur Warren Waite, will take the stand in his own defense in the trial for the murder of John E. Peck, his father-in-law, and Grand Rapids millionaire. Walter R. Deuel, counsel for Waite, made this announcement today in his opening address to the jury.

Deuel also definitely outlined the defense on grounds of insanity.

New York, May 25.—Mrs. Margaret Weaver Horton, the young woman with whom Dr. Arthur Warren Waite, confessed poisoner of his wife's parents, studied languages and music and shared a "studio" in a fashionable New York hotel, described late yesterday at Waite's trial for murder what she considered the dual character of the prisoner. This alleged Jekyll-Hyde nature of Waite, the evil side of which he has asserted manifested itself in the form of a "little man from Egypt," gave the first inkling of the theory upon which Waite's lawyers will proceed in their efforts to prove he was insane at the time he killed John E. Peck and thereby save him from the electric chair.

Mrs. Horton, who cast sorrowing glances at Waite as he sat pale and outwardly ill at ease not more than twenty feet from her, followed Mrs. Clara Louise Peck Waite, wife of the prisoner, on the stand. Mrs. Horton told her story slowly, directly, and gave the impression that she cared little for the ordeal to which she herself was subjected. It appeared to those who watched her closely that she was trying to convey to the prisoner something of the sympathy she felt for him.

Although called as a witness for the state, Mrs. Horton seemed to be much relieved when Walter R. Deuel, counsel for Waite, began to cross-examine her. Waite, who had sat almost motionless throughout the long direct examination by Assistant District Attorney George N. Brothers, dropped his hand from his chin and raised his eyes toward the witness. The wife of the prisoner, dressed in deep mourning, sat directly behind the jury box.

Not a line of testimony had been brought out by the prosecution touching upon Waite's mental condition when the state retired after Mrs. Horton had finished her story. Several alienists were in the court room, however, waiting to be called in rebuttal. The defense, it is expected, will open tomorrow in a vigorous attempt to prove that Waite was insane when he committed his crime.

Dr. Muller had testified that Waite obtained through him a quantity of arsenic shortly before Mr. Peck's death. Previously Waite had said he was interested in the study of bacteriology, and Dr. Muller had recommended a former instructor of his. Waite already has confessed that he inoculated the aged Mrs. Peck with deadly germs, from which she died a few weeks before her husband.

When Mrs. Horton was excused from the stand, Mr. Deuel asked the court to instruct the jury to disregard all testimony about Waite's study of bacteriology. The court so instructed the jury. The state then rested, and Mr. Deuel made the formal motion for the dismissal of the case, which was denied.

The sender of the mysterious "K. Adams" telegram, which has figured in the case, was identified as Elizabeth B. Harwick of Somerville, N. J. This was the telegram sent from New York to Grand Rapids, urging Percy Peck to have an autopsy performed on his father's body.

## SAY GERMANY IS BEING DEPOPULATED

Travelers Arriving at Amsterdam Declare it is all Directly or Indirectly Due to War.

### HARDSHIPS ARE SUFFERED

(By United Press.)

Amsterdam, May 25.—The war is depopulating Germany and Austrian cities, according to travelers arriving here from the territories of the central powers. They attribute the alleged diminution in the number of residents in such centers as Berlin and Vienna partly to casualties at the front and partly to the increased death rate incidental to the hardships the civil population has suffered. Statements that the public health is better in the war-stricken countries than before hostilities broke out are declared ridiculous.

From reliable and impartial sources, it is estimated that Berlin has lost 800,000 inhabitants, Hamburg 330,000, Breslau 200,000, Dresden, Leipzig and Munich nearly 33 per cent. of their populations, Vienna 700,000 and Trieste, Lemberg, Prague, Budapest nad Gratz respectively 80,60, 50, 40 and 35 per cent.

It is conceded that this losses will be made up in part when the troops return home at the end of the war but a large part of them are believed certain to be permanent.

## CHINESE NATION EXPECTED TO SPLIT

Declaration of Independence of Province of Kwangtung is Looked For Any Time.

### RIVER TO BE DIVIDING LINE

(By United Press.)

London, May 25.—Declaration of its independence by the Chinese province of Kwangtung is regarded here as an almost certain forerunner of China's breakup into a northern and a southern nation.

It was believed Yuan Shi Kai might, by sweeping concessions, hold the country together. Kwangtung having cut loose, however, this is deemed possible. The other rebel provinces are considered certain to cast in their lot with Kwangtung.

The split between north and south is looked for along the line of the Yangtse river. Yuan may make the north a monarchy. The south is expected to be a republic.

Best judges of the oriental situation do not think Yuan will make much effort to fight the south. They point out that he stands an excellent chance of establishing his power permanently in the northern provinces if he devotes himself to them alone, while an attempt to subdue the south unquestionably would precipitate a bloody war.

## Escape TOOTH Troubles

—by keeping your teeth REALLY CLEAN. "But," you say, "I brush my teeth regularly, yet they decay." Yes, you brush them, but do you REALLY CLEAN them? Tonight, after brushing your teeth, examine them closely. You will likely find an accumulation of tartar on the enamel and bits of food deposit hiding in the crevices.

Decay, as well as the dangerous gum disease called Pyorrhea, usually develops only in the mouth where germ-laden tartar is present. SENRECO, the formula of a dental specialist, keeps the teeth REALLY CLEAN. It embodies specially prepared soluble granules unusually effective in cleaning away food deposits. Moreover, it is particularly destructive to the germ of Pyorrhea.

Go to your dealer today and get a tube of Senreco—keep your teeth REALLY CLEAN and protect yourself against Pyorrhea and decay. Send 4c to Senreco, 304 Walnut St., Cincinnati, Ohio, for liberal-sized trial package.

## PEACE LEAGUE MEETING OPENS

Delegates Declare They Are Not  
"Mollycoddles" and Neither Are  
They Classed as Pacifists.

### LARGE NUMBER ATTENDS

One Speaker Declares That Peace is  
a Business Proposition to  
This Country.

(By United Press.)  
Washington, May 25.—"We are not mollycoddles!"  
Delegates to the first annual convention of the National League To Enforce Peace didn't say that in so many words when they gathered here today for the opening session under former President William Howard Taft, but that was the idea they wanted to convey.  
"We believe," said Herbert S. Houston, President of The Associated Advertising Clubs of the World and a prominent member of the League, "that permanent international peace is a business proposition that has to be organized and pushed their veins just as anything else through by men with red blood in that is worth while has to be handled."  
"Permanent peace means a great deal to the business interest of the world and they are behind this organization heart, soul and body."  
"There is nothing visionary about the plans of this League. There are no dreamers in it. Look at the lists and I think you will agree that they contain the names of big men who do big things in a big way."  
Two of the principal speakers at the convention will be Secretary of War Newton D. Baker and Major General Leonard Wood.  
The arrival during the last few days of more than two thousand delegates from every section of the country is regarded as significant of the attitude toward peace among political, commercial, social, religious, and educational interests in United States.  
States and cities have sent representatives, as have chambers of commerce, boards of trade, universities and colleges, labor organizations, granges and churches.  
The committee pointed out that the convention is not a mere pacifist gathering. The convention was called at this time, it was said, as a definite move to obtain political action on the part of the United States, in favor of the idea of a league of nations to be formed at the close of the present war in Europe.  
According to the League's program of proposals adopted when it was organized in Independence Hall last June, the powers to be invited to join a league of nations, are expected to pledge the use of their joint armed and economic forces against any signatory power which shall refuse to submit to dispute to a court or arbitration or council of conciliation, before beginning hostilities or declaring war.

### SUFFERED 15 YEARS CURED IN 21 DAYS

Gentlemen: For over 15 years I was afflicted with eczema, covering my arms, legs and face. I suffered so that I could not sleep. My face was red and swollen, and covered with dry feverish scales. Was unable to attend to business for weeks at a time.

I had about given up all hope when I tried Amolox. The first application gave me relief so I could sleep. In 3 days I was able to attend to business. After 30 days' treatment my eczema entirely disappeared.

James R. Rigby, Youngstown, O.  
Amolox ointment will quickly heal pimples on the face, blackheads, and minor skin troubles. Chronic cases of psoriasis, salt rheum, tetter, that have suffered for years, require both the ointment and solution to effect a cure. Trial size, 50c. Guaranteed and recommended by Hargrove and Mullin.

## WARNS PUBLIC OF CENTENNIAL FRAUD

State Historical Celebration Describes Imposture Being Worked on the People.

### OFFER TO STAGE CELEBRATION

The Indiana Historical Commission calls attention of the citizens of the State to what appears to be a palpable fraud, is being attempted in connection with the Centennial observance. A so-called "Pioneer Society of Indiana," claiming headquarters at Indianapolis, is sending letters to towns over the State offering to put on a one day's Centennial celebration, "not for a profit but for humanity's sake." It claims to "have arranged to have the state

officers such as Governor, Secretary of State, Treasurer, Auditor and Professors of Purdue University to make addresses." It also claims in the same paragraph to put on in connection, balloon ascension, aerial flights, etc.

This thing should stand self convicted on its face. It is a gross misrepresentation, no such arrangements having been made with the state officers, they never having heard of any such organization. It is a cheap blundering effort to play upon the credulity of the people of Indiana, and make a travesty of their loyalty and patriotism in this Centennial year. The Commission respectfully asked the manager of the concern to appear and explain his plans and purposes. His failure to do so, is further evidence of a lack of good faith. It is hardly conceivable that intelligent people will allow themselves to be imposed upon in this crude manner, but the State Commission feels it incumbent upon itself to issue this warning note.

## CONTRACTS WILL BE NEAR \$80,000

Taking Low Bids as Criterion Construction of Three Roads and Bridge Will Cost That Sum.

150 BIDDERS HERE TODAY

Kennedy & Son Get Blue River Bridge Contract—One Bid on Brown Road is Rejected.

Taking the low bids as a criterion the county commissioners this afternoon awarded contracts for three roads calling for an expenditure of \$73,562 and one bridge to cost \$7,250. The road letting was the most important held here in several years and attracted a large crowd of bidders, brick, stone and cement people. It was estimated that 150 people were crowded into the commissioners' room when the bids were opened.

The commissioners at a late hour this afternoon had not awarded the contracts and were carefully investigating each bid before making known any decision. The low bidder on the Frank H. Green et al. highway (Eleventh street) and on the John Kelly, Jr., et al road (First street) was A. L. Tribble and Company, a Brazil firm. It was considered quite a coincidence that this firm should be low on both roads.

The interest centered in these two roads. The bids for the Green road were opened first and were as follows: A. L. Tribble, \$33,218; Masters Construction Company, \$37,000; J. B. Reason Company, \$36,785; Ohio Construction Company, \$33,965; DeGolyer & Company, \$35,400; George Hoppe, \$35,417; George T. Miller, \$33,947. This road is to be constructed with cement. All the bids were under the estimate which was \$38,000.

The bid of A. L. Tribble on the paving of First street with brick was \$25,820. Other bids were as follows: A. L. Stewart, \$27,147; Masters Construction Company, \$26,999; Cronin and Meredith, \$27,212; Ohio Construction Company, \$26,230; Bergan, Jeffries Company, \$27,637.

Only one bid was submitted on the William J. Brown road in Anderson township. The bidder was Wilk and Company of this city, with a bid of \$14,524. The estimate was \$15,000, but the commissioners wanted some competition so rejected the bid. The road was ordered re-advertised and the date set for June 30.

Three firms bid on the Norris Ford bridge. The bids were as follows: E. L. Kennedy & Son, \$7,250; A. L. Stewart, \$8,464; Central States Bridge Company, \$9,475. The first two bids were for wood construction and the last for steel. The contract was awarded to Kennedy & Son, at the price specified in their bid.

Following the opening of the bids parties interested in the construction of the Frank Capp et al. road, known as the New Salem pike, were busy figuring out if this road could be built this year. According to the figures, the township will lack about \$6,000 of having enough money to build this highway. The estimated cost of the Capp road is \$31,000 and there remains about \$25,000 before the township reaches the bonded indebtedness limit.

### WILL PLAY SUNDAY

The local baseball bid will be pried off Sunday when the Red Men and K. of C. teams play at Edgewater park. The game may eventually result in the re-organization of the Fraternal league.

Marion, Ind., May 25.—Muncie was chosen for the 1917 meeting place of the State Association of Elks at the closing session today.

Mrs. Schmidt is survived by her husband and two daughters, four and six years of age.

## DOVE OF PEACE IS BACK IN TWO HOMES

Divorce Suits of Priscilla and Robert Cameron and Elsie and William Richter Dismissed

### ALLOWANCE IN ANOTHER CASE

Two divorce suits were dismissed today in circuit court. The first was that of Priscilla Cameron against Robert Cameron, and the other was that of Elsie Richter against William Richter. Both couples are now living together again. In both cases the costs were paid.

Judge Sparks made his decision in the motion for an allowance in the divorce suit of Mrs. Jessie Winship against Earl Winship, ordering the defendant to pay her \$50 for attorney fees within fifteen days and the sum of \$10 a week support money until the case is disposed of.

On the motion of the plaintiff Albert L. Winship was made a party defendant. It was shown that on May 13 Earl Winship executed a bill of sale disposing of all of his property to his father, A. L. Winship, and on this ground the elder Mr. Winship was made a party defendant.

## WILL HAVE APPEAL FOR EVERY PERSON

Dr. George R. Stuart's Address at Commencement Will be Profitable to all Ages

### PROGRAM OPENS AT 8 O'CLOCK

Dr. George R. Stuart's lecture on "Opportunity" at the annual commencement exercises at the Graham Annex auditorium tomorrow evening at eight o'clock will have an appeal for every person and will be interesting and profitable to persons of all ages, school authorities declared today. Much elation is felt here because it was possible to get the noted lecturer.

Members of the class are urged to be at the auditorium by 7:30. The doors will be open at the same hour. Reserved seats selling for twenty-five cents were put on sale at Hargrove & Mullin's this morning. It is stated that it will be possible to hear Dr. Stuart with ease in any part of the auditorium.

Dr. Parkes Cadman, of Brooklyn, says, "In a wide survey of two continents I have not heard the equal of Dr. Geo. R. Stuart." Dr. Stuart awakens his audiences to new truths, and lifts to high peaks of enthusiasm. His record of successes on leading lecture courses throughout the country is the best assurance of his ability to please.

## ALUMNI FEAST AND HEAR MUSIC

High School Graduates Also Regaled With Humorous Impersonations by Harry Porter

### LETTER FROM FINLEY PUGH

Representatives of Classes of Many Years Ago Are Introduced—Officers Elected

With one hundred and fifty former graduates of the local high school and their friends at the alumni banquet given last evening in the basement of the Christian church, the affair was an enthusiastic success from start to finish. The entire evening was given over to the banquet and excellent entertainment which followed, the only business which was transacted being the election of officers for the next two years.

They were: president, Dr. Lowell M. Green; vice-president, Miss Hannah Morris; secretary, Miss Nancy Hogsett; and treasurer, Ben Sparks. The nominating committee, which had previously been appointed by the president, was composed of Miss Anna Bohannon, John H. Kiplinger, and Miss Frances Frazee. The retiring officers who had complete charge of the banquet were: president, Hugh E. Mauzy; vice-president, Miss Pearl Kitchen; secretary, Charles B. Stiffler; treasurer, Miss Anna Waite.

A four course banquet was served which did credit to the ladies of the Aid society of the Christian church. It was not only delicious but beautifully served. Carrying out the high school colors of red and black, the tables were decorated with red carnations and lit with red candles under the crystal holder of which was a cross of red and black. Excellent music was played throughout the banquet by the Sherman three-piece orchestra.

Following the banquet, the committee had wisely dispensed with the toast list and provided rare entertainment for the guests. A few appropriate remarks were made by Hugh Mauzy, giving a short history of the organization, which has been in existence for the past five years. Although the first graduating class that of 1846 was not represented personally, Mr. Mauzy had a letter from Finley Pugh, the only surviving member of the first graduating class which he read.

One of the most amusing features of the program, was the plan of the president to have representatives of each of the graduating classes stand as he read their year. The oldest graduate present, was George Wirt of Kingston, who finished school in 1874. The remarks which he made were appropriate and inspiring to the recent graduates. Mrs. Minnie Abercrombie represented the class of 1875, Mrs. Fannie Ayres and Mrs. V. C. Bodine were present from the 1876 class, Mrs. J. P. Frazee Dr. F. G. Hackleman, J. H. Frazee, and Mrs. F. B. Stearns stood when the president asked for graduates of 1878. Aside from the 1916 class, the class of 1911 was best represented in numbers.

Music for the program was furnished by a quartette composed entirely of graduates—Mrs. Carl F. Behr, Mrs. Earl Moore, Miss Norma Smith and Mrs. Francis Moor. For their first selection "Heigh Ho, for Merry June," a beautiful number, they were loudly applauded and were forced to respond with an encore for their second number "Don't You Cry Ma Honey," in which Mrs. Francis Moor sang the obligato. Miss Martha Hogsett acted as accompanist.

## WAGGONER IS CAUGHT TODAY

Richmond Police Arrest Man Wanted for Stabbing Harry Levi on Tip From Here

### SHERIFF GOES AFTER HIM

Levi Spends Restless Night but Physician Says he is not in Immediate Danger

Orban Waggoner, wanted here on a charge of assault and battery with intent to kill, in connection with the stabbing of Harry Levi Wednesday morning at the I. & C. power house where both were employed, was arrested this morning in Richmond.

Sheriff Cavitt and Chief Yakey left here shortly after noon today in the sheriff's automobile for Richmond and will bring Waggoner back with them, hoping to arrive here by six o'clock tonight. The arrest of Waggoner was easily effected after the police once obtained information as to his whereabouts.

Chief Yakey received a tip this morning that Waggoner was in Connersville yesterday and intended going to Richmond this morning. The Richmond police department was called and in less than an hour called back that they had their man. The arrest was made at the depot as Waggoner was getting off a train.

The warrant for Waggoner's arrest was issued from the circuit court. Yesterday Waggoner bragged, it is said, that the police would never arrest him. Waggoner's version of the cutting affair is still missing, although it is known that he told one man that Levi came at him with a sledge-hammer and that he cut him in self-defense. The police put little faith in this version as Levi was stabbed in the back.

Levi spent a rather restless night and apparently suffers greatly from the wound. The attending physician, however, states that he is in no immediate danger and cannot see why he should not get well, unless unforeseen complications arise. There was no change in his condition today.

## MAN 80 YEARS OLD IS THROWN 20 FEET

J. M. Wiggington of Near Gings Has Remarkable Escape From Death Today in Runaway

### HORSES HIT BRIDGE POST

J. M. Wiggington, living near Gings had a remarkable escape from injury this morning in a runaway. A team of horses he was driving to a farm wagon started to run away in Gings and he was unable to control them. He stayed in the wagon and when the iron bridge east of Gings was reached the horses ran into one of the posts.

The force of the collision threw Mr. Wiggington clear of the wreckage and he landed on the opposite side of the bridge, a distance of about twenty feet. Mr. Wiggington is eighty years old and never as much received a scratch. The horses were freed from the wagon when the bridge was hit and ran for a distance of a mile on down the road before being stopped. One of the horses was injured and the wagon was practically demolished.

## IS GIVEN THIRD DEGREE

One of Mexicans Killing P. H. Holly is Captured, Truckman Says

Columbus, N. M., May 25.—One of the band of Mexican bandits who killed Ranchman P. H. Holly at Rubio, while Holly was acting as a scout for General Pershing, has been captured at the front, according to word brought here by truckmen. He is being given the third degree in an effort to obtain information as to the whereabouts of the others in the band. Holly's ranch manager was killed at the same time.

Twenty-five ill or accidentally wounded American soldiers arrived at the base hospital here today. They were picked up along the line of communication.

## FUSTON REFUSED BORDER ARTILLERY

Fact That he Requested it Some Time Ago is Confirmed at War Department Today

### 116 TO BE COURT MARTIALED

(By United Press.) Washington, May 25.—That General Funston had requested additional coast artillery for border service and had been refused was confirmed at the war department today. The explanation for the refusal was that the coast artillery branch felt it could not strip the coast defenses farther than has already been done. The request of coast artillery was made after the militia forces were called out. It was definitely said that when recently Funston asked for additional troops, he did not request the Louisiana, Arkansas and Oklahoma militia.

Reversing his decision of yesterday, Secretary of War Baker today announced he will direct the calling of a court martial to try the cases of 116 Texas militiamen charged with failing to present themselves for duty on the border. This reversal was due to the discovery of new legal points which the Hay-Chamberlain army bill would not obviate as was held yesterday. The oath required of Texas militiamen is that they shall defend the constitution and obey the orders of the Texas governor. No mention is made of fealty to the president's orders.

## FUNSTON DENIES WASHINGTON STORY

Declares he Did Ask for Louisiana, Arkansas and Oklahoma Troops When Others Were Ordered.

### CHANGES THE DISTRIBUTION

(By United Press.) San Antonio, Texas, May 25.—General Funston today changed his plans for militia distribution to meet the Carranzista movement into the section opposite the Big Bend of Texas. The Fourth Texas infantry will be sent into the Big Bend, he announced, to guard railroad bridges and tracks and small settlements instead of going to Eagle Pass. Funston contradicted advices from Washington stating he had not asked for the Louisiana, Oklahoma and Arkansas militia at the time he requested the state troops already placed at his command. He still hopes to obtain these troops.

## GRADUATES ARE LESS THIS YEAR

Only 135 Will Receive Eighth Year Diplomas at Education Day Exercises June 6

### 154 GRADUATED IN 1915

Gold Medal Will go Begging This Year Because None Has Perfect Attendance Record

A total of 135 eighth year graduates will receive diplomas at the county educational day exercises to be held at the Graham Annex auditorium on June 9. The complete list is available now that Superintendent George has completed grading the papers of the pupils that took the special examination last Saturday. This examination was for pupils who were conditioned at the March and April examinations.

The number of eighth year graduates this year is not as large as last year when 154 pupils received diplomas. In 1914 the total was 133. So far Superintendent George has failed to find any pupils this year with a perfect attendance record and the medal offered will go begging.

The recent examination failed to change the standing of the pupils receiving the highest grade. The seven honor students and their averages are as follows: Grace Ellen Carson, Falmouth, 96.2 per cent; Marie Meyer, Glenwood, 95.7; Oran Mellvaine, Anderson township, 95.4; Louise Bingham, Union township, 95.4; Vida Frow, Walker township, 95.4; Maude Taylor, Posey township 94.7; John Looney, Union township, 93.7.

The record by townships of the three examinations is as follows:

	Passed	Tried	Failed
Anderson	15	16	1
Center	6	6	0
Jackson	5	5	0
Noble	8	11	3
Orange	7	10	3
Posey	19	22	3

**TRAMP BULL DOG  
MAKES GAME FIGHT**

Requires Two Shots From Revolver  
And Two From Shotgun to  
Finish Old "Bob."

BIT MISS CATHERINE HITT

If it had taken five more shots, "Bob," a tramp bull dog, which Policeman Price killed at one o'clock today, would have been like the proverbial cat with nine lives. As it was the extinction of the dog, which has always been classed as "crazy" by the police, required the combined efforts of Policeman Price and Fireman Basil Seward, and two shots from a shotgun and two from a big revolver.

The dog came here from Columbus, Ind., several weeks ago, and has been harbored by several people. Last week he bit Chief of Police Yakey and today he sunk his teeth in Miss Catherine Hitt's wrist, which caused the police to determine to kill him.

"Bob" was game. Policeman Price shot him just below the eyes with a revolver in front of Dr. E. I. Wooden's office. That maddened the dog and he ran up Main street and got in the back yard of Mrs. Rachel Bowen, 406 North Main street. Two loads from a shotgun did not finish him and he managed to squeeze between the barn and a fence. Another shot from a revolver was the death knell for "Bob." His head may be sent to the state board of health laboratory of examination for rabies.

### The Graduate.

As the members of a high school  
graduating class line up on the plat-  
form, it is a hard guess to tell which  
will be the big business and profes-  
sional successes of ten years hence.  
Even the professors who know the  
young people thoroughly, are often  
mystified.

In a good many cases a certain  
degree of business success is assur-  
ed at the start through personal  
"pulls." Many young men have fath-  
ers or uncles or brothers in large  
concerns. A handsome desk and  
comfortable salary is assigned the  
fledgling of the family as soon as  
he acquires his degree. He may be-  
come a faithful and methodical wor-  
ker. But he is rarely the one who  
pushes his concern into bigger fields.  
The success attained by many com-  
paratively obscure fellows is a wonder,  
both to their teachers and asso-  
ciates. They may have had no so-  
cial graces and no facility in book  
work. But somewhere back in their  
make-up was a certain bulldog tena-  
city that knows not the word  
"fail." They hang on and hang on,  
until the gates of opportunity open,  
weary of their importunate striving.  
Many young men without family  
squasor pool go into an occupation  
from the start, by a certain innate  
personal winsomeness. They greet  
the world with frank enthusiasm and  
make friends every day of their  
lives. People like to have them  
around and do business with them.  
Their only danger lies in their too  
great facility. Sometimes the prizes  
come so easily that they forget to  
work. Then the tortoise soon over-  
takes the hare.

Graduates of colleges and high  
schools do not usually have to wait  
long for a job. There is always  
something ready for a bright young  
fellow with willing hands. But to  
find an opening that offers any  
chance of advancement is no easy  
matter. Young men should not grab  
too eagerly for lines of work in  
which there is no call for individual  
judgment and initiative. There is  
too much haste for 4 o'clock jobs  
where young men get the afternoon  
off for society and games.

We are all agreed that the in-  
crease of exports because of the  
war has been one of the stimulants  
to American business. The latest  
bulletin of the United States de-  
partment of commerce is but another  
commentary on this well known  
fact. Exports for March 1916,  
\$411,476,638 and exports for the  
corresponding month last year were  
\$296,611,852. Of course, the war  
was in progress a year ago, but it  
had not so badly demoralized busi-  
ness at that time as now. Export  
business for nine months ending  
with March 1916 was \$2,997,172,  
372, whereas export business for  
nine months ending with March 1915  
totaled only \$1,931,077,869.

Once upon a time gasoline was  
classed as a waste product and no  
one is going to deny that much of it  
is being wasted right now.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards'  
Olive Tablets

That is the joyful cry of thousands since  
Dr. Edwards produced Olive Tablets, the  
substitute for calomel.  
Dr. Edwards, a practicing physician for  
37 years and calomel's old-time enemy,  
discovered the formula for Olive Tablets  
while treating patients for chronic con-  
stipation and torpid livers.  
Dr. Edwards' Olive Tablets do not con-  
tain calomel, but a healing, soothing veg-  
etable laxative.  
No gripping is the "keynote" of these lit-  
tle sugar-coated, olive-colored tablets. They  
cause the bowels and liver to act normally.  
They never force them to unnatural action.  
If you have a "dark brown mouth" now  
and then—a bad breath—a dull, tired feel-  
ing—sick headache—torpid liver and are  
constipated, you'll find quick, sure and only  
pleasant results from one or two little Dr.  
Edwards' Olive Tablets at bedtime.  
Thousands take one or two every night  
just to keep their bowels "right." 10c and 25c  
per box. All druggists.  
The Olive Tablet Company, Columbus, O.

Recent reports indicate that there  
is one automobile for every twenty  
persons in Indiana. If you are  
No. 19 in line, it looks like you  
might have a good chance at one  
this season.

Bryan says he will at least be at  
the St. Louis Convention as a news-  
paper man. That remains to be seen.  
The Superintendent of the press  
section may refuse to seat represen-  
tatives of monthly periodicals when  
there is such a large demand from  
correspondents of daily papers.

New York Democrats are said to  
be puzzled by the problem of a can-  
didate for Senator to succeed Mr.  
O'Gorman. Inasmuch as the Re-  
publican candidate is the one who  
will be elected anyway, we can see  
little for the Democrats to worry  
about.

The Wilmington, North Carolina,  
Star boasts of a "return to pros-  
perity under a Democratic adminis-  
tration." It does not mention the  
loss of prosperity under that same  
administration nor give the date  
when that prosperity began to re-  
turn. It seems to have have a bor-  
row of even the thought of war.

A Democratic club in Portland,  
Oregon, refused to endorse vice-  
president Marshall for renomination  
on the ground that he is a "Psycho-  
logical negative." Just what that is,  
it might be difficult to say, but pos-  
sibly a psychological negative on  
the end of that Democratic tariff bill  
might have been a good thing for the  
country. Or any other kind of a  
negative.

California fruit growers are pro-  
testing because Great Britain has  
placed an embargo upon fruit im-  
portations, in order that there may  
be more ship space available for  
commodities more urgently needed  
for purposes of war. Those Cali-  
fornia people are not likely to read  
with very receptive minds the claim  
of the Democrats that the war is not  
the cause of return of prosperity in  
the East.

## HUNDRED LEAD- ING HOOSIERS

### Jeremiah Sullivan.

In Judge Jeremiah Sullivan, Indi-  
ana has the man who caused the  
Hoosier capital to be known as "In-  
dianapolis" instead of Tecumseh,  
Concord, or Suarro, the other names  
considered. Judge Sullivan selected  
the name "Indianapolis."

Sullivan was born in Harrison-  
burg, Ky., July 21, 1794. Educated  
for the Catholic priesthood, he be-  
came a lawyer and a Presbyterian  
elder. In 1817 he rode horseback  
from Harrisonburg to Madison, Ind.

Sullivan was in influential member  
of the legislature of 1820 but won  
the greatest distinction on the Su-  
preme bench. As an associate of  
Blackford and Dewey he was a mem-  
ber of the trio known as the "Great  
Supreme Court."

In 1869 Sullivan was appointed  
judge of the new criminal court at  
Madison but died on the day court  
opened.

\*\*\*\*\*  
YEAR WITHOUT A SUMMER.  
\*\*\*\*\*

(Christian Herald.)

It is said that the year 1816 had  
no summer; that frosts prevailed  
and ice formed in the month of  
June; that in July ice formed to the  
thickness of an inch; that in August  
there was a heavy fall of snow; but  
that in September the usual fall  
weather prevailed. There was no  
corn raised, and most of the crops  
were failure. It is said that these  
weather conditions extended all over  
the New England states, New  
York, New Jersey, Pennsylvania and  
Ohio. Probably the facts have been  
exaggerated. Other parts of the na-  
tion and world had a summer, and  
there was food and clothing for the  
people. Some growl perpetually at  
the weather; it is too hot or too  
cold; too wet or too dry. And yet a  
kind Providence arranges it infinitely  
better than we could. What a beau-  
tiful promise this was in the early  
history of the race: "While the  
earth remaineth, seedtime and har-  
vest, and cold and heat, and summer  
and winter, and day and night shall  
not cease."

## MONEY FOR FUND IS CONTRIBUTED

Federated Clubs Will Announce an  
Endowment Fund of \$100,000  
at New York Meeting.

### NOT TO INCREASE THE DUES

Need of a Larger Income Wax Ap-  
parent Some Years Ago and  
Now Amount is Reached.

BY MRS. W. K. JAMES.

(Field Chairman of Endowment,  
General Federation of Women's  
Clubs.)

New York, May 25—We are ready  
to announce that the \$100,000 en-  
dowment fund of the Federated  
Clubs has been fully contributed by  
the clubwomen of the United States.  
The announcement will be formally  
made at the National Convention  
now going on here.

When the growing need of a larger  
income for the General Federa-  
tion became too great to be ignored  
it was proposed either to increase  
the dues or raise an endowment.

Larger dues might shut out some  
clubs from membership and the wo-  
men gathered at Cincinnati for the  
Biennial Convention of 1910 realized  
the value, not only to the club wo-  
men themselves, but to the country  
as a whole, of this body of women  
coming together from every State  
and from almost every condition of  
life to plan for the common welfare.

Women who were learning to un-  
derstand and sympathize with cir-  
cumstances foreign to their own  
home surroundings and to recognize  
the obligation resting on them to do  
their share in building up the nation.  
To reduce the number of those  
brought under the influence of the  
General Federation could not be  
considered so the plan of an endow-  
ment was adopted.

At the Convention in Cincinnati,  
1910, it was voted to raise an en-  
dowment of \$100,000.

At the Convention in San Francis-  
co, 1912, the endowment was pre-  
sented to the club women in a series  
of striking and effective talks under  
the direction of Mrs. Pennypacker,  
and it was shown to be well started  
toward success.

At the Convention in Chicago 1914  
the last \$20,000 was promised.

### NOTICE TO CONTRACTORS

Notice is hereby given that the Board of Com-  
missioners of Rush County, Indiana, will re-  
ceive sealed bids at the County Auditor's office  
in Rushville, Indiana, up until 2:00 o'clock p.  
m. on

MONDAY, JULY 31, 1916,  
for the construction of a new roof for the Court  
House at Rushville, Indiana.

Said roof to be constructed according to  
plans and specifications now on file in the County  
Auditor's office, Rushville, Indiana, and also  
in the office of the Architect, Charles E.  
Wiering, Richmond, Indiana.

Bids must be accompanied by bond as by law  
required. Samples of tile must be submitted  
with the bid. The successful bidder will be re-  
quired to guarantee the workmanship and ma-  
terial used in construction for a period of two  
years from the time of completion of the work.

At the same time the Board will receive and  
consider bids for the repair of the roof. Bidders  
to prepare plans for the repair of the roof and  
file them in the office of the County Auditor at  
least ten days prior to July 31, 1916. The  
Board reserves the right to reject any and all  
bids.

Witness my hand and seal this 13th day of  
May, 1916.

ALLEN R. HOLDEN,  
Auditor Rush County, Indiana.

### NOTICE TO PROPERTY OWNERS.

Rushville, Ind., May 16, 1916  
To Whom It May Concern:  
Notice is hereby given by the common coun-  
cil of the City of Rushville, Indiana, that on  
the 16th day of May, 1916, they approved an  
assessment roll showing the "prima facie" as-  
sessment for the following described public  
improvements: as authorized by Improvement  
Resolution No. 45. Said improvement is in-  
tersected by the following streets and alleys:  
The improvement of Twelfth street from  
Main street to Willow street, by constructing  
cement walk and grading lawns. Persons inter-  
ested in, or affected by said described public  
improvement, are hereby notified that the com-  
mon council of said city has fixed June 6th,  
1916, as a date upon which remonstrances may  
be received, or heard against the amount as-  
sessed, against each piece of property described  
in said roll, and will determine the question, as  
to whether such lots or tracts of land have been  
or will be benefited in the amounts named on  
said roll or in a greater or less sum named  
on said roll.

Said assessment roll showing said "prima  
facie" assessments with the names of owners  
and description of property subject to be assess-  
ed, is on file and may be seen at the office of the  
City Clerk.

This is the first time that we have announced the wonderful change made in our place. We have people tell us every day, "Why, I did not know that you had moved, and what a nice place you have here now."

You want to call and see for yourself. Come before Decoration Day and see what a fine stock you have to pick from. Do not delay too long to order your vase filled, so that we may give you the best. We have a limited number of new vases this year. Come and see them today.

Just to remind you that we now have one of the largest range of glass in the state, catering to the retail trade. There are others who have larger places, but supply only for wholesale. Do you appreciate this? I have put Rushville, Indiana, on the map for you this last year, having shipped geraniums all over the United States.

We have had a good retail trade and wish to thank you for the business extended to us. Whatever your needs, if you can not call in person, use the telephone. We try to please.

## Weekly Bulletin of Things Good to Eat

### NUMBER ONE

Our superior bread is so much better than ordinary bread that one loaf will make you a steady user. The best flour made is used exclusively. Our best bakers mix it in just the right proportions to give best results. The result is a big tempting loaf, well browned, light and thoroughly delicious. 10 cents for a 30 oz. loaf TRY IT TODAY.

### DELICIOUS PIES

When you think of good pies you naturally remember those big generously filled pies of your mother's baking. They are a standard of excellence. Buy one of our pies and judge it. You'll admit that it's just about the best pie you ever tasted, made of the best materials and of the big, thick kind. They make you hungry to look at them.

LARGE SIZE 20c

### WEDDING AND BIRTHDAY CAKES

We make a specialty of catering to weddings and birthday parties. Special cakes made to order. Let us help you decide on a design. Our wide experience in this line is at your service.

### OUR STEAMED BAKED CAKE

Is one of our best sellers; as a special this week, we are selling this cake at a reduced price. It is a rich white loaf cake, something like white pound cake. It is much more delicious dough and something entirely new and different; through it are French crystallized cherries so plentiful that there is at least one to every moreish, or mouthful. It is in pound blocks. Selling for 25c. Regular price is 35c.

COME EARLY AND TRY THIS ONE.

### BREAKFAST ROLLS

A great many people prefer crusty rolls for breakfast. Our Vienna Breakfast Rolls are baked fresh every morning and we keep them hot. They are just the thing to eat and with an egg and a cup of your favorite beverage, their brown, crisp look is very tempting. Try them tomorrow morning. You'll like them immensely.

10 CENTS THE DOZEN

### OUR BROWN BREAD

is made of the entire wheat kernel. By our process we give you a loaf that is wholesome, easily assimilated and exceptionally tasty. Many persons prefer brown bread as a steady diet. Others like it only occasionally. To either class we recommend this loaf.

## ALUMNI FEAST AND HEAR MUSIC

Continued from Page 1.

companion.

Harry Porter, the entertainer for the evening, used his versatility to advantage in all kinds and degrees of humorous numbers. He was especially realistic in all the characters which he imitated because of the earnestness of his impersonations. The first part of his program was composed of a series of side-splitting jokes told in his own original way, making himself a typical Irishman, farmer or whatever the character required.

During the short intermission, a figure resembling very much one of Abe Martin, with white hair on end, short whiskers, and a very comical make-up under the little old hat on one side of his head, wandered in strolling through the banqueters mumbling "Hello." "Why how are you?" "Am sorry I was so late with the butter and eggs for the supper. I told Mr. Mauzy I'd get them here on time, fer he said there was an alum meeting here tonight." The figure proved to be Mr. Porter, who introduced himself as Abe Martin, and gave a number of interesting incidents about his home in Brown county and his recent trip which he took with one Newt Plum. The jokes all through this sketch were apt and well given. The closing number on his program, a song, "If I was as Young as I Used to Be," simply brought down the house.

The message from Finley Pugh, the only living member of the first graduating class, was as follows:

Los Angeles, California,

May 19, 1916

Mr. Hugh E. Mauzy.

Pres. R. H. S. Alumni Assn.

Rushville, Indiana.

My dear brother:

I can think of nothing that would give me more pleasure than to be with you all on the occasion of your Biennial Banquet next Wednesday evening. I have been away from the old scenes for a long time but shall always have the most pleasant memories of my school boy days in the old town.

A bunch of us youngsters started in with Uncle Davy Graham when he put the first real High School on the map in Rushville. And although I know we were not angelic and gave his trouble enough, in the main, we did fairly well in deportment and accomplished something otherwise, at least enough to merit his approval (sometimes), and ultimate recognition.

When we left the High School it had not yet become the custom to grant diplomas. After I had finished College and returned to Rushville and gone into business, the School Board decided to issue diplomas to all the graduates of the preceding classes that had not yet received them. Our class in the final round up was not a large one, and when I was notified that I would be expected to deliver the Valedictory address at Commencement and my partner Mr. Robert Cox the Salutatory, I felt like the boy that said he was always head or next head in the spelling class that only had two members.

While I remained in Rushville I greatly enjoyed the meetings of the Alumni Association.

I have said that I would be much pleased to be with you on this occasion, it would also be a time of sorrow and regret to me to see the unfilled places. I would be looking into the faces of many of the children of those I once knew and loved so well. I would rejoice to see these of the younger generation, but my thoughts would naturally turn to many that are gone.

I congratulate you heartily on the lively interest you are all displaying in keeping alive the fealty to our Alma Mater that we created back in the 70's.

Sincerely,

FINLEY B. PUGH

## WOMEN LEARN HOW TO CLEAN CITIES

Those Attending Federated Meeting

Receive Tips on How to Beautify Cities.

### IS PART OF ART PROGRAM

(By United Press.)

New York, May 25.—Twenty thousand leading American clubwomen at the Federation's national convention here today are learning how to make our ugly cities handsome.

They are, as it were, getting tips from experts on how to take a careless, slouchy, unkempt old municipality, wash its face, give it a new suit, manicure and barber it, put a posey in its buttonhole and set it up as a truly handsome altogether.

This is part of the art program of the convention, at which the report of the art chairman will be given before the convention, followed by an address on "Community Art," by William Dudley Foulke, of Indiana, president of the National Municipal League from 1911 to 1915. Mr. Foulke is a life-long student of art in many lands, and an eloquent speaker.

At the art luncheon, at the Astor, there is a program of short speeches by well-known artists. Four hundred tickets are issued for the luncheon, at \$1.50 a plate.

At the Art Conference, following the luncheon, there will be reports from members of the Department, an address on "The Poetic Art in America," by Robert Underwood Johnson, secretary of the American Academy of Arts and Letters.

## Look and Feel Clean, Sweet and Fresh Every Day

Drink a glass of real hot water before breakfast to wash out poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning "inside bath."

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatism, others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

## What Is the Best Season for Painting?

That is a question we are often asked. If the surface to be painted is dry and the day is clear, any season is Good Painting Weather, provided the painter knows how to mix his paint to suit the temperature. An experience of twenty-five years has taught us how we can paint at any season of the year and guarantee satisfactory results. We use Carter's Pure White Lead and Oil, and are always at your service.

Mitchell's orchestra of this city will play for the Commencement dance to be given in Newcastle tomorrow evening.

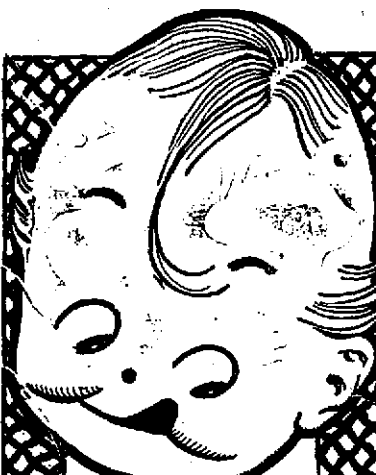

Dr. Clarence Arnold of Colorado Springs, Colo., and Mrs. Mary Holmes of this city were the guests of Mr. and Mrs. Harvey Arnold near the city today.

Among the out-of-town guests at the alumni banquet last evening were George Wirt of Kingston, Mrs. Helm Woodward of Cincinnati, Mrs. Maud Shields of Chicago, and Mrs. Ed Batterton of Greensburg.

Visitors from Knightstown, Connersville, Indianapolis, and Shelbyville have signified their intentions of attending the dance to be given in the Phi Delta Kappa hall tomorrow evening. It is to be the annual commencement dance, for which Sherman's three piece orchestra will play.

WITH MRS. BOXLEY

The regular meeting of the Five Hundred club was held with Mrs. Fred Boxley last evening at her home in North Main street. Three tables were in play and after their games, the hostess served a refreshing collation. The guests of Mrs. Boxley for last evening were Mrs. Ben Sparks, Mrs. Lon Weeks, Mrs. Ernest Mitchell, Miss Jennie Pad-

The Tri Kappas will hold an exchange in the Cosand Millinery Store Saturday morning beginning at 9 o'clock. Home cooked eatables of all kinds will be sold. The members of the sorority have requested that it be announced that none of the articles will be sold or laid away previous to nine o'clock.

BIRTHDAY PARTY

Lotus Gartin, son of Mr. and Mrs. James W. Gartin celebrated his fifteenth birthday yesterday by giving a party for a number of his young friends. The young people made the trip to the pretty country home of Mr. and Mrs. Gartin in machines, and after their arrival were amused with games and other diversions played on the lawn and in the home. Refreshments were served before the departure of the young people, who were the Misses Mildred Williams, Vera Short, Ruth Smith, Ruby Ellerman, Dorothy Moore, Beatrice Wilson, Ella Adams and Fred Warfield, Herschel Bates, Fred Alsop, Paul Stewart and William Riley.

BIRTHDAY SURPRISE

Yesterday being the birthday of Mrs. Frank Windler, she was agreeably surprised when a number of her friends and neighbors came in upon her, bringing an elaborate supper with them. The meal was soon arranged at the table and the pleasant company gathered to enjoy it as well as the delightful occasion. The guest of honor was also the recipient of a number of pretty birthday gifts. Her friends who so cleverly arranged the surprise were Mrs. A. C. Green, Mrs. Charles Hinkle, Mrs. Mart Spivey, Mrs. Charles Hall, Mrs. Robert Ellman, Mrs. Walter Hall, the Misses Mazie and Minnie Boyd and Mrs. John Boyd.

CLUB MEETING

The meeting of the Wednesday Afternoon Club with Mrs. Verl Bebout yesterday afternoon was in honor of Mrs. Roy E. Aldridge of Pittsburgh who is visiting here, and Miss Anna Cochran a bride-to-be. Apple blossoms were the fragrant flowers used in decorating the rooms. After the guests had enjoyed an afternoon of chatting together, the hostess served a refreshing luncheon. Several invited guests were present and those and the members of the club present included Mrs. H. V. Logan, Miss Minnie Vaught, Miss Eamline Newlin, Mrs. A. T. Mahin, Mrs. Sam Innis, Miss Sue Gregg, Mrs. Ed Lee, Mrs. Grant Gregg, Mrs. Emma Craig, Mrs. Clara Bebout, Mrs. Raymond Gartin, and Mrs. O. C. Brann.

MEN ENTERTAINED

The entertainment which the Women's Bible class of the First Baptist church gave in honor of the Men's Bible class last evening had been kept a surprise until the guests arrived and the fact that the program was a complete surprise added to the pleasure of the evening. There were about fifty members of the two classes in the party. Following the program, an elaborate two course dinner was served. The numbers on the program were as follows: Ladies Quartette. Piano solo—Miss Elizabeth Stewart. Reading—Russel Perin. Reading—Mrs. Steffy. Reading—Mrs. Perin. Reading—Miss Elizabeth Stewart. Original poem—Childhood Memories—Mrs. S. G. Huntington.

The last number was read by Mrs. Huntington to the musical accompaniment played by Mrs. Saunders. Short talks were made by the Rev. S. G. Huntington, James W. Gartin and James Alsop. The teacher of the class of ladies, entertaining is Miss Elizabeth Stewart.

Mrs. Fred Airbuckle, who has been ill for several days, is slowly recovering.

The Mac-Taff stock company playing at the ball park will present the drama "St. Elmo" for the program tonight. This is said to be one of their best productions. In addition to this the usual five acts of vaudeville will be given.

The Gem offers the fourth episode of "The Iron Claw" for the first picture tonight. This one is entitled "The Name and the Game." Pearl White is featured as usual. The other picture is a comedy entitled "Lonesome Luke's Double." Tomorrow the two act drama "Plot and Counterplot" will be shown along with the Billie Ritchie comedy "Twenty Minutes at the Fair."

"Miss Arren's Brother," a three reel feature is the first picture at the Princess tonight. Arline Pertty and Charles Kent are featured. It is said to be a powerful story with plenty of action. The other is a comedy featuring, Rose Melville as Sis Hopkins. It is entitled "A Flock of Skeletons." Tomorrow, matinee and night the five reel feature "The Island of Surprise" will be shown. William Courtney, Eleanor Woodruff and Zena Keefe are featured. The picture is based on the story by Cyrus Townsend Brady. A railroad wreck and a fierce battle with naked savages are but two of the thrilling episodes depicted with graphic realism. A Pullman day coach and a Pullman sleeper and two locomotives are destroyed to give the movie fans a thrill in this picture.

## "OTHER WOMAN" IS A WITNESS

Mrs. Margaret W. Horton Describes Dual Character of Dr. A. W. Waite, on Trial for Murder

### HIS JEKYLL-HYDE NATURE

Sender of Mysterious Telegram Which Started Investigation is Also Identified

### WAITE TO TAKE STAND

New York, May 25.—Dr. Arthur Warren Waite, will take the stand in his own defense in the trial for the murder of John E. Peck, his father-in-law, and Grand Rapids millionaire. Walter R. Deuel, counsel for Waite, made this announcement today in his opening address to the jury.

Deuel also definitely outlined the defense on grounds of insanity.

New York, May 25.—Mrs. Margaret Weaver Horton, the young woman with whom Dr. Arthur Warren Waite, confessed poisoner of his wife's parents, studied languages and music and shared a "studio" in a fashionable New York hotel, described late yesterday at Waite's trial for murder what she considered the dual character of the prisoner. This alleged Jekyll-Hyde nature of Waite, the evil side of which he has asserted manifested itself in the form of a "little man from Egypt," gave the first inkling of the theory upon which Waite's lawyers will proceed in their efforts to prove he was insane at the time he killed John E. Peck and thereby save him from the electric chair.

Mrs. Horton, who cast sorrowing glances at Waite as he sat pale and outwardly ill at ease not more than twenty feet from her, followed Mrs. Clara Louise Peck Waite, wife of the prisoner, on the stand. Mrs. Horton told her story slowly, directly, and gave the impression that she cared little for the ordeal to which she herself was subjected. It appeared to those who watched her closely that she was trying to convey to the prisoner something of the sympathy she felt for him.

Although called as a witness for the state, Mrs. Horton seemed to be much relieved when Walter R. Deuel, counsel for Waite, began to cross-examine her. Waite, who had sat almost motionless throughout the long direct examination by Assistant District Attorney George N. Brothers, dropped his hand from his chin and raised his eyes toward the witness. The wife of the prisoner, dressed in deep mourning, sat directly behind the jury box.

Not a line of testimony had been brought out by the prosecution touching upon Waite's mental condition when the state retired after Mrs. Horton had finished her story. Several alienists were in the courtroom, however, waiting to be called in rebuttal. The defense, it is expected, will open tomorrow in a vigorous attempt to prove that Waite was insane when he committed his crime.

Dr. Muller had testified that Waite obtained through him a quantity of arsenic shortly before Mr. Peck's death. Previously Waite had said he was interested in the study of bacteriology, and Dr. Muller had recommended a former instructor of his. Waite already has confessed that he inoculated the aged Mrs. Peck with deadly germs, from which she died a few weeks before her husband.

When Mrs. Horton was excused from the stand, Mr. Deuel asked the court to instruct the jury to disregard all testimony about Waite's study of bacteriology. The court so instructed the jury. The state then rested, and Mr. Deuel made the formal motion for the dismissal of the case, which was denied.

The sender of the mysterious "K. Adams" telegram, which has figured in the case, was identified as Elizabeth B. Harwick of Somerville, N. J. This was the telegram sent from New York to Grand Rapids, urging Percy Peck to have an autopsy performed on his father's body.

## SAY GERMANY IS BEING DEPOPULATED

Travelers Arriving at Amsterdam Declare it is all Directly or Indirectly Due to War.

### HARDSHIPS ARE SUFFERED

(By United Press.)

Amsterdam, May 25.—The war is depopulating Germany and Austrian cities, according to travelers arriving here from the territories of the central powers. They attribute the alleged diminution in the number of residents in such centers as Berlin and Vienna partly to casualties at the front and partly to the increased death rate incidental to the hardships the civil population has suffered. Statements that the public health is better in the war-stricken countries than before hostilities broke out are declared ridiculous. From reliable and impartial sources, it is estimated that Berlin has lost 800,000 inhabitants, Hamburg 330,000, Breslau 200,000, Dresden, Leipzig and Munich nearly 33 per cent. of their populations, Vienna 700,000 and Trieste, Lemberg, Prague, Budapest and Graz respectively 80, 60, 50, 40 and 35 per cent.

It is conceded that this losses will be made up in part when the troops return home at the end of the war but a large part of them are believed certain to be permanent.

## CHINESE NATION EXPECTED TO SPLIT

Declaration of Independence of Province of Kwangtung is Looked For Any Time.

### RIVER TO BE DIVIDING LINE

(By United Press.)

London, May 25.—Declaration of its independence by the Chinese province of Kwangtung is regarded here as an almost certain forerunner of China's breakup into a northern and a southern nation.

It was believed Yuan Shi Kai might, by sweeping concessions, hold the country together. Kwangtung having cut loose, however, this is deemed possible. The other rebel provinces are considered certain to cast in their lot with Kwangtung.

The split between north and south is looked for along the line of the Yangtze river. Yuan may make the north a monarchy. The south is expected to be a republic.

Best judges of the oriental situation do not think Yuan will make much effort to fight the south. They point out that he stands an excellent chance of establishing his power permanently in the northern provinces if he devotes himself to them alone, while an attempt to subdue the south unquestionably would precipitate a bloody war.

### NOTICE TO PROPERTY OWNERS.

Rushville, Ind., May 16, 1916.

Notice is hereby given by the common council of the City of Rushville, Indiana, that on the 16th day of May, 1916, they approved an assessment roll showing the "prima facie" assessments for the following described public improvements as authorized by Improvement Resolution No. 48. Said improvement is intersected by the following streets and alleys:

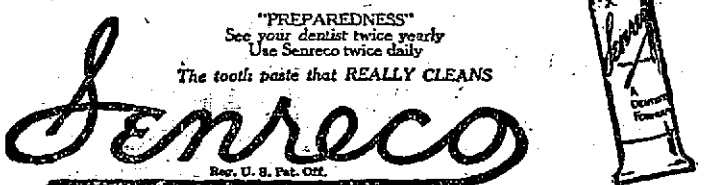

The improvement the north side of Eleventh street from Main street to Willow street, by constructing cement walks and grading lawns. Persons interested in, or affected by said described public improvement, are hereby notified that the common council of said city has fixed June 6th, 1916, as a date upon which remonstrances may be received or heard against the amount assessed against each piece of property described in said roll, and will determine the question, as to whether such lots or tracts of land have been or will be benefited in the amount named on said roll or in a greater or less sum than named on said roll.

Said assessment roll, showing said "prima facie" assessments with the names of owners and description of property subject to be assessed, is on file and may be seen at the office of the City Clerk.

—by keeping your teeth REALLY CLEAN. "But," you say, "I brush my teeth regularly, yet they decay." Yes, you brush them, but do you REALLY CLEAN them? Tonight, after brushing your teeth, examine them closely. You will likely find an accumulation of tartar on the enamel and bits of food deposit hiding in the crevices. Decay, as well as the dangerous gum disease called Pyorrhea, usually develops only in the mouth where germ-laden tartar is present. SENRECO, the formula of a dental specialist, keeps the teeth REALLY CLEAN. It embodies specially prepared soluble granules unusually effective in cleaning away food deposits. Moreover, it is particularly destructive to the germ of Pyorrhea. Go to your dealer today and get a tube of Senreco—keep your teeth REALLY CLEAN and protect yourself against Pyorrhea and decay. Send 4c to Senreco, 304 Walnut St., Cincinnati, Ohio, for liberal-sized trial package.

## PEACE LEAGUE MEETING OPENS

Delegates Declare They Are Not "Mollycoddles" and Neither Are They Classed as Pacifists.

### LARGE NUMBER ATTENDS

One Speaker Declares That Peace is a Business Proposition to This Country.

(By United Press.)  
Washington, May 25.—"We are not mollycoddles!"

Delegates to the first annual convention of the National League to Enforce Peace didn't say that in so many words when they gathered here today for the opening session under former President William Howard Taft, but that was the idea they wanted to convey.

"We believe," said Herbert S. Houston, President of The Associated Advertising Clubs of the World and a prominent member of the League, "that permanent international peace is a business proposition that has to be organized and pushed their reins just as anything else through by men with red blood in that is worth while has to be handled."

"Permanent peace means a great deal to the business interest of the world and they are behind this organization heart, soul and body."

"There is nothing visionary about the plans of this League. There are no dreamers in it. Look at the lists and I think you will agree that they contain the names of big men who do big things in a big way."

Two of the principal speakers at the convention will be Secretary of War Newton D. Baker and Major General Leonard Wood.

The arrival during the last few days of more than two thousand delegates from every section of the country is regarded as significant of the attitude toward peace among political, commercial, social, religious, and educational interests in United States.

States and cities have sent representatives, as have chambers of commerce, boards of trade, universities and colleges, labor organizations, granges and churches.

The committee pointed out that the convention is not a mere pacifist gathering. The convention was called at this time, it was said, as a definite move to obtain political action on the part of the United States, in favor of the idea of a league of nations to be formed at the close of the present war in Europe.

According to the League's program of proposals adopted when it was organized in Independence Hall last June, the powers to be invited to join a league of nations, are expected to pledge the use of their joint armed and economic forces against any signatory power which shall refuse to submit to dispute to a court or arbitration or council of conciliation, before beginning hos-

## SUFFERED 15 YEARS CURED IN 21 DAYS

Gentlemen: For over 15 years I was afflicted with eczema, covering my arms, legs and face. I suffered so that I could not sleep. My face was red and swollen, and covered with dry feverish scales. Was unable to attend to business for weeks at a time.

I had about given up all hope when I tried Amolox. The first application gave me relief so I could sleep. In 3 days I was able to attend to business. After 30 days' treatment my eczema entirely disappeared.

officers such as Governor, Secretary of State, Treasurer, Auditor and Professors of Purdue University to make addresses." It also claims in the same paragraph to put on in connection, balloon ascension, aerial flights, etc.

This thing should stand self convicted on its face. It is a gross misrepresentation, no such arrangements having been made with the state officers, they never having heard of any such organization. It is a cheap blundering effort to play upon the credulity of the people of Indiana, and make a travesty of their loyalty and patriotism in this Centennial year. The Commission respectfully asked the manager of the concern to appear and explain his plans and purposes. His failure to do so, is further evidence of a lack of good faith. It is hardly conceivable that intelligent people will allow themselves to be imposed upon in this crude manner, but the State Commission feels it incumbent upon itself to issue this warning note.
